Knocks Help Boost U. S. Exhibition

By A. I. GOLDBERG
MOSCOW, (AP) — The American
exhibition is the biggest hit in
town, and it looks like every knock
is a boost.

Sharp criticism of the fair in
Moscow newspapers has only
sharpened Soviet curiosity about
the exhibit. When Soviet citizens
stream under the wadded dome
and around the displays filling the
glass pavilion, they give every evi-
dence of a sincere interest in what
is being shown.

The young American guides say
almost all the questions are
friendly. They deny they have felt
any personal animosity such as
implied by the Soviet press.

The Communist detractors of the
fair are probably learning the pub-
licity man's first lesson—say
anything you want as long as you
spell the name right and you've
got it made.

The crowd Thursday, the sixth
day of the fair — looked bigger
than ever, and there was a festive
air throughout the fair grounds.

Sharpshooters in the Moscow pa-
pers let up a bit, possibly because
so much space was devoted to the
foreign affairs speech by Premier
Nikita Khrushchev in the Ukraine.

But the army newspaper Red
Star had a thing at tugging
the electronic question-and-an-
swer machine.

Union Would Welcome U. S. Participation

NEW YORK (AP)—The head of
the steel union has indicated it
would welcome increased federal
participation in efforts to settle
the nationwide steel industry
strike.

David J. McDonald, president of
the United Steelworkers of Amer-
ica, says: "In view of the size
and complexity of the steel indus-
try, I don't see how the govern-
ment can help but become in-
volved in something as important
as a steel strike."

McDonald's remark, made at
news conference Thursday, was
interpreted in some quarters as
an expression of hope that the
government would intervene di-
rectly in the 17-day-old strike.

Federal activity so far has been
limited mostly to two things:
1. The Federal Mediation and
Conciliation Service, headed by
Joseph P. Finnegan, has been
working daily in efforts to bring
about a settlement.

2. Secretary of Labor James P.

Judge Refuses to Order Dallas Integration

DELLAS, Tex. (AP)—A federal
judge Thursday refused to order
integration of Dallas public
schools this fall but he told the
school board to "put your house
in order" for integration which he
said will surely come.

"You are going to integrate
your schools. The question is
when," said 32-year-old Judge T.
Whitfield Davidson.

The hearing was held on a
petition filed by attorneys for the
National Assn. for the Advance-
ment of Colored People asking for
immediate integration. During
testimony, however, they indi-
cated they would be willing to
wait until 1960.

Dallas school leaders have been
in court 10 times over the school
integration issue since the U.S.
Supreme Court handed down its
decision on school segregation
more than five years ago.

At Thursday's hearing the
school board president, Dr. Ed-
win Rippey, said the board will fol-
low all court directives. But he
told the court that state and fed-
eral law conflict. He said the 147-
school district could lose more
than 2½ million dollars in state
aid money a year under a law
passed by the State Legislature
two years ago.

Of the estimated 122,000 pupils
in the district, about 22,000 are
Negroes.

Now Is Time to Battle Boll Weevils

Boll weevils and bollworms must
be given close attention now if
many fields of cotton are to be
protected. This was the decision
reached by cotton producers at-
tending the three cotton insect
control field study meets yester-
day states County Agent Oliver
L. Adams.

Boll weevils and bollworms were
being controlled where a proper
and adequate application of effec-
tive insecticide was being applied.
First and second generation plus
some overwintering weevils and
third generation bollworms were
very active. Some insecticides be-
ing used were not giving control.

The reason for non-control ob-
served was resistance to the insecti-
cide used, to weak insecticide, or
application not in sufficient time.
Bollworms to be controlled must
receive the insecticide application
before they break-out of the termi-
nally of the plant where they gen-
erally hatch. When bollworms go
down the plant the immature
bolls are all endangered.

The close observance to cotton
insect control leaflet No. 52 as
published by the Agricultural Ex-
tension Service is highly recom-
mended. If additional information
is desired the Extension Service
office may be contacted.

miles west of Prescott on High-
way 24, will start a revival Sat-
day, August 2, and it will con-
tinue through August. Services will
be held each night at 7 o'clock.
The Rev. D. L. McCauley will be
the preaching. J. T. Cash will
direct singing and Martha Grimes
will be pianist.

Georgia Youth Missing Six Days in Grand Canyon Found Alive by a Searching Party

GRAND CANYON, Ariz. (AP) —
A Georgia youth, missing six days
and given up for dead in the
rugged Grand Canyon, was found
alive and in good condition today.
John Manson Owens III, 16, of
Savannah — whose two compan-
ions died on the ill-fated trek into
the gorge — was flown by helico-
pter to Grand Canyon, a resort
community on the canyon's south
rim.

"It's a miracle the kid is alive,"
said A. Lynn Coffin, chief of the
National Park Service rangers.
"He is much thinner than when he
started, but he is not emaciated."

A park service spokesman said
a helicopter crew spotted the
youth from the air about nine
miles down the Colorado River
from the area in which the bodies
of his friends were found. Owens
was found at the edge of the river
in the southeastern end of the can-
yon in an area known as Hans
Canyon.

"The boy apparently drank river
water during his hike," the
spokesman said. "He also men-
tioned something about eating
cactus pulp. He didn't have any
food when he was found."

Owens was hospitalized at
Grand Canyon for observation.
"When he got out of the helico-
pter," the spokesman said, "He
turned to the crew and said, 'Well,
I sure thank you for picking me up.'"

Owens hiked into the canyon
last Friday with the Rev. Eugene
A. Gavigan, 30, and Walter J. Ma-
hany Jr., 16, both of Savannah.
The search began Saturday when
tourists heard cries for help from
deep within the canyon.

Mahany's body was found Sunday.
His death was attributed to
exposure to the scorching heat. The
body of Father Gavigan, who ap-
parently fell from a 200-foot cliff,
was found Monday.

Only a few hours before Owens
was found searchers gave no hope
for his survival.

P. B. Arsenal to Continue Full Operation

WASHINGTON (AP) — Rep.
W. F. Norrell (D-Ark) said today
the Army expects that its Pine
Bluff, Ark., Arsenal will continue
operations on the present level,
which requires 1,300 employees.

Norrell made an official inspec-
tion of the arsenal recently with
other House members. He reported
briefly today on the trip.

He said his group received an
extensive briefing "on the threat
of Communist chemical, biological
and radiological warfare and
U.S. defense measures being
taken to counter that threat."

The Pine Bluff Arsenal, he said,
is ready to swing into action in
any defense emergency.

"Pine Bluff is one of the most
important United States Army
Chemical Corps arsenals serving
the needs of United States land,
sea and air forces," he said. "The
Arsenal's principal function is to
manufacture, store, supply and
renovate chemical corps munitions."

"Considerable development
work is carried out accordingly,
to improve the manufacturing
process of chemical and biological
munitions. Operations at this
installation are projected to
continue at their present level
which involves a strength of ap-
proximately 1,000 persons em-
ployed."

Norrell said the importance of
the Arsenal "is highlighted by re-
cent Soviet statements which in-
dicate their strong interest in this
field of warfare."

Since Soviet leaders have
stated frankly they expect to see
chemical and biological weapons
used in any future conflict, Nor-
rell said "we must give full need
and prepare ourselves accordingly."

Women at the well: Judy Beth
Davis, Sherrie Hankins, Barbara
Caston, Cecelia Godwin.
Cast of Players: Ruth: Sue Ann
Smith, Naomi: Tonia Taylor,

Recognition for Poultry Industry Here

The special committee, set up by
the Chamber of Commerce to give
recognition to the poultry industry
in the Hope area, has assembled
some figures showing what this
industry has added to the local
economy during the past year.

"These are conservative figures,
according to the local poultry
people," said Jack Lowe committee
chairman, "but we think the local
citizens will agree that it is a
most welcome addition."

During the past twelve months
35,000,000 pounds of chicken meat
was produced in the Hope area
with a value of \$3,600,000.00. Dur-
ing the past twelve months
77,000,000 eggs were produced in
the Hope area with a value of
\$3,000,000.00 for the hens and the
eggs produced. During the past
twelve months 122,300,000 pounds of
feed was consumed by broilers and
laying hens in the Hope area
with a value of \$6,000,000.00.

"These figures afford an excel-
lent reason for setting aside a
period known as 'Chicken Eating
Week' August 3rd through 8th,
and we believe that the citizens of
Hope and the area will want to
give their full cooperation to this
program," said Mr. Lowe.

Funds in Bill for a Nuclear Plane Carrier

WASHINGTON (AP) — Funds
for the start of a second big nu-
clear aircraft carrier have been
included in a bill providing just
under 40 billion dollars for U.S.
armed forces this fiscal year.

The companion bill worked
out Thursday by Senate — House
conferes still needs final House
and Senate approval. It adds up
to about the total President Eisen-
hower asked—30 billion dollars
in new funds plus transfer autho-
rity of more than 400 million pre-
viously voted by Congress.

"The measure carries an extra 45
million dollars to increase the
Marine Corps to 200,000 men. The
administration proposed a 175,000-
man ceiling. An additional 170
million was provided to hold
Army Reserves at 300,000 men
and the Army National Guard at
400,000—10 per cent above the
total asked by the Pentagon.

The Senate had voted 300 mil-
lion dollars for the full cost of the
nuclear carrier. The House pro-
vided no funds for it. The con-
feres agreed on 35 million to
start the vessel which will take
about four years to build.

Cool, Dry Air in Midwest

By THE ASSOCIATED PRESS

Cool dry air spread across most
of the Midwest today to bring wel-
come relief from the warm and
humid weather of the past sev-
eral days.

But muggy weather clung to
wide sections from Texas east-
ward and northward through the
Ohio states and Ohio Valley
to the lower Great Lakes region
and the Atlantic seaboard.

Warmer air also returned to
Montana, Wyoming and the Da-
kotas but it was fairly dry.

Clear skies prevailed across
most sections of the country this
morning but showers and thunder-
storms were in prospect during
the day in the warm and humid
belt.

Fire Destroys Two Benton Buildings

BENTON, Ark. (AP) — Fire
which threatened an entire down-
town block last night destroyed
two buildings, causing damage
estimated at 150,000.

Two firemen were overcome
with heat exhaustion while bat-
tling the raging flames, which de-
stroyed the Gunches Hardware
and Lumber Co. offices and the
Precision Industries Co., a dis-
cussing plant. The lumber yard
was heavily damaged.

Asst. Chief John Paul, 33, and
Lieutenant Marvin Gay, 27, col-
lapsed in the 90-degree heat. Gay
was hospitalized. Paul was treated
and released.

The flames threatened the po-
lice station, a furniture store and
a vacant building in the same
block, but did not reach those
structures.

SECRET CONFERENCE — Governor Earl K. Long, held a

West Germany Urges U. S. to Stand Firm

By JOHN NM. HIGHTOWER
GENEVA (AP)—West Germany
today urged the United States to
stand firm against any pressure
to make concessions to the Rus-
sians in the final days of the Big
Four foreign ministers conference,
reliable informants said.

The plan was made directly to
U.S. Secretary of State Christian
A. Herter by Heinrich von Bren-
tano, West German foreign minis-
ter, at an hour's conference, these
sources added.

West Germany fears a diplomati-
cally trap may be sprung by Soviet
Foreign Minister Andrei Gromyko
before the conference ends or
cesses Wednesday. The Germans
believe Gromyko may offer a con-
cession in Soviet demands that the
Western garrisons get out of Ber-
lin, then use this to pry conces-
sions from the West.

Associates said Von Brentano
told Herter his government be-
lieves any Berlin solution based
on the latest Soviet proposals
would weaken the Western position
in Berlin. One aspect of the
Soviet plan that alarmed the Ger-
mans was the proposal for curtail-
ing propaganda and subversive
activities in Berlin.

Willie Brandt, mayor of West
Berlin, said in the talks between
Von Brentano and Herter.

The West Germans met with
Herter shortly before he went into
another secret session with Gromy-
ko, British Foreign Secretary
Selwyn Lloyd and French Foreign
Minister Maurice Couve de Mur-
ville at Gromyko's villa.

Meanwhile, high-level experts
from East and West failed to
reach agreement in a session de-
voted to an effort to find common
language in the rival Soviet and
Western proposals for a Berlin
settlement.

Qualified informants said the
experts then decided to inform the
Big Four ministers of their fail-
ure and leave to the ministers a
decision on whether they would
meet again.

GENEVA (AP) — Apparently
fearful of a last-minute Soviet
trap, West Germany sought ur-
gently today to stiffen U.S. opposi-
tion to any major Western conces-
sion to the Soviet Union in the

AMA, Faubus Disagree on Care for Aged

LITTLE ROCK (AP)—Gov. Or-
val E. Faubus and the American
Medical Assn., president present-
ed divergent views yesterday on
how the problem of care for the
aged should be handled.

Faubus told the seventh annual
Rural Health Conference the prob-
lem was "national in scope and
transcended state lines."

But AMA President Louis Mo-
Donald Orr of Orlando Fla., criti-
cized federal intervention in care
of the aged, calling it "essenti-
ally a family problem."

Both agreed the changing times
have heightened the problem be-
cause the tradition of older per-
sons living with relatives has been
destroyed by urbanization and a
trend toward smaller homes.

Faubus said more nursing
homes were one answer, but the
homes "must not be just a place
to go and die." Faubus recently
has been critical of some Arkans-
as nursing homes.

Our blunder compulsory retire-
ment and social ostracism for
forcing older persons into inac-
tivity.

Department Store
Sales Up Slightly

ST. LOUIS (AP)—Department
store sales in the Eighth Federal
Reserve District last week rose
up 1 per cent over the correspond-
ing week in 1958.

The breakdown of reporting cit-
ies:

Memphis, plus 5 per cent; St.
Louis, plus 2 per cent; seven
smaller district cities, plus 2 per
cent; Louisville, minus 3 per cent;
Little Rock, minus 3 per cent.

The figures supplied by the Fed-
eral Reserve Bank of St. Louis
showed that for the month-long pe-
riod ended last week district sales
averaged a per cent more than in
the like month last year.

Athletics Still Hot, Win Streak Goes to Eleven

By ED WILKS

Associated Press Sports Writer

Where do the Kansas City A's go from here? They've pulled off an incredible jump from the cellar to third place with an 11-game streak, longest in the American League in five years, but can they crack the exclusive, two-club "first division?"

The A's, making their run in just 11 days, moved past Baltimore into third place by whipping Washington 4-1 Thursday night. But they still trail Chicago's first place White Sox by 3½ games and second-place Cleveland by 7½ after making up 3½ games on the leaders.

The White Sox kept their tough pace with a 3-1 victory over New York, plunking the world champion Yankees 10½ games behind as Early Wynn (14-6) became the AL's top winner. It was the Sox' 15th victory in 20 games since the All-Star break, when they were second, two games behind Cleveland.

The Indians stayed close by beating Boston 4-3 with Minnie Miñoso driving in all their runs. Detroit tied New York for fifth by rapping Baltimore 11-2.

In the National League, San Francisco regained a half-game lead, beating Philadelphia 7-2 with five unearned runs and a 4-for-4 debut by rookie Willie McCovey. Los Angeles skidded from first to third, losing 3-4 in 12 innings as Pittsburgh ended its losing string at nine. Milwaukee took second place, hammering four home runs for a 6-2 decision over the Chicago 20th victory.

St. Louis beat Cincinnati 1-0 as Bob Gibson pitched an eight-hit shutout in his first major league start.

Southpaw Bud Daley, after missing his regular turn because of a leg injury, blanked the Nats on six hits for six innings, then needed Tom Sturdivant's neat relief for a 12-6 record. That ties the Kansas City record for most victories in one season set by Art Ditmar in 1955 and tied by Ned Garver last year.

Wynn put away his 263rd victory, tops among active major leaguers, with a six-hitter. He walked only one, struck out nine and lost a shutout on an unearned run in the fourth inning. Al Smith drove in the big run for the White Sox and added another in the eighth after Sherm Lollar's double and a single by Billy Goodman beat rookie Eli Grba (1-2) in the seventh.

Cleveland ended its slump at two games when Miñoso's third single cracked a 3-3 tie in the ninth against losing reliever Mike

a scale of a parlay to do it—five unearned runs, a 4-for-4 debut by rookie Willie McCovey and Pittsburgh's first victory in 10 games. The Giants cut their own slump at four and moved into first place by a half-game as McCovey, a .377 hitter at Phoenix since 12 hours earlier, snatched a pair of triples, scored three runs and drove in two for a 7-2 decision Thursday over the Philadelphia Phillies, who slipped in four efforts.

Pittsburgh cleared the way for the Giants by beating Los Angeles 3-1 in 12 innings, skidding the Dodgers to third. Milwaukee took over second place with a 6-2 decision over the Chicago Cubs, hammering four home runs as Warren Spahn gained his 26th victory.

St. Louis defeated Cincinnati 1-0 with Bob Gibson blanking the Reds on eight hits in his first major league start.

In the American League, the Chicago White Sox retained a one-game lead over Cleveland by beating New York 3-1 as Early Wynn (14-6) became the AL's top winner. The Indians defeated Boston 4-3 on Minnie Miñoso's four RBI victory over Washington, the A's 11th in a row. Detroit whipped Baltimore 11-2.

McCovey, 21, a lean 6-4 first baseman, also singled twice in his first major league game after Manager Bill Rigney shook up the Giants' lineup, switching Orlando Cepeda from first to third base and benching Jim Davenport.

A one-out single by Ray Mejias, following a single by Dick Groat and Bill Virdon's double, won it for the Pirates, who blew 3-0 and the winner in relief, but needed a dandy assist by lefty Don Gross—who got Wally Moon on an infield out and then fanned Duke Snider with the tying run on third.

Mejias also homered for the Bucs, against Dodger starter Johnny Podres. Stan Williams (4-4) was the loser.

The Braves moved .003 percentage points ahead of the Dodgers and within .003 of the Giants by handing left-hander Art Ceccarelli his first defeat in five decisions. Consistent homers by Felix Mantilla and Hank Aaron clinched it in the third.

Spahn (14-10) beat the Cubs a third time this year. He allowed five hits, one Bobby Thomson's ninth home run.

Gibson, 23, a right-hander just up from Omaha, where he was 9-9, got out of a bases-loaded jam in the ninth when Johnny Temple flied out to end it. Jim O'Toole (2-5) was the loser.

Consumers Fueling the Business Boom

By STERLING F. GREEN

WASHINGTON (AP)—What's fueling the business boom?

The Federal Reserve Board today supplied one answer.

Consumers entered 1959 better financially—both in their holdings of liquid assets and in current income—than ever before in history.

The board issued its annual survey of consumer finances, based on sampling interviews across the country made by the Survey Research Center of the University of Michigan.

It showed that in spite of the recession, total personal income last year rose by eight billion dollars, or 2 per cent. Prices rose 3 per cent, so there was a slight gain in real income.

But Americans as a group reduced their load of auto installment debt in 1959, increased their savings and bank deposits by the largest amount of any year since World War II, and enjoyed a sharp rise in the value of their stocks and bonds.

The emphasis on saving, said the board, "brought liquid assets of consumers to a new peak in early 1959 despite the decline in their holdings of U.S. savings bonds."

About three-fourths of all families held some liquid assets—meaning checking and savings accounts in banks, shares in savings and loan associations or credit unions, and savings bonds—when the survey was made early this year.

I'M SORRY, ZARKOV! I CAN'T ACCEPT THE CITATION... AFTER THIS SCANDAL!

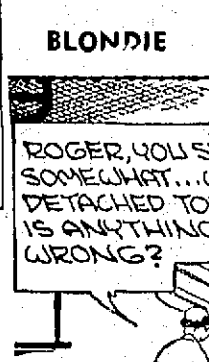

YOU DIDN'T CAUSE THAT CRASH! THE GIRL DID! YOU'VE HAD A ROUGH TIME, FLASH... YOU'RE DOWN ON YOURSELF!

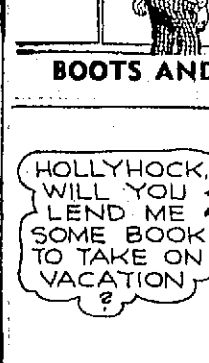

WHAT YOU NEED IS A GOOD LONG REST!

THE SPACE CORPS FIGURES I'VE HAD IT... I NEED A "LONG REST"! SO THE METAL'S JUST TO GOTTEN THE BOUNCE!

IT WAS KIND... BUT UNNECESSARY! I'VE ALREADY PREPARED MY RESIGNATION!

GOOD HEAVENS, I DON'T WONDER! LOOK WHAT'S COMING!

I TELL YOU, ALL RIGHT, JUST KEEP YOUR SHIRT ON, WILL YOU?

I THINK IT'S GONNA RAIN!

IT'S GOING TO DO SOMETHING ALL RIGHT... EVEN THE BUFFALO ARE NERVOUS!
